From Thursday 9th January: ALPHA 2020

Got questions? Try Alpha.

The Alpha course creates a space for people to bring friends for a conversation about faith, life, & God. Over 24 million people have tried Alpha in over 100 countries, and it has been translated into over 100 different languages.

Developed as a short course at Holy Trinity Brompton in London, Nicky Gumbel took over running Alpha in 1990 and found that many people outside of the church wanted to explore the Christian faith. Alpha now runs in every part of the global church, including the Catholic Church, the Orthodox Church and all mainline Protestant denominations.

Alpha in Wargrave starts with a 'taster evening' on Thursday the 9th January at 7.45pm, with food, and then continues on Thursday evenings until the 20th February. We'd love to see you there with anyone else who might be interested. Contact hughbarne@gmail.com for further details or to ask any questions.
